14. One of the things we suspect is that there were a lot of possible questions from the audience we failed to capture. At this late juncture, are there any questions you would like considered if we develop a post-event website?

#	Response
1	<b>I wish I had asked this question:</b> If global warming isn't caused much by humans what
2	<b>I wish I had asked this question:</b> Will climate change pit electric cars against salm <b>I also wish I had asked this one:</b> Why not commandeer streets for bikes and transit
3	<b>I wish I had asked this question:</b> How many people typically travel with you in a car <b>I also wish I had asked this one:</b> How far do you typically travel daily? <b>And this one, too:</b> How many vehicles do you own?
4	<b>I wish I had asked this question:</b> can we develop a new transportation institutuion
5	<b>I wish I had asked this question:</b> Fuel or land use patterns - what is more critical?
6	<b>I wish I had asked this question:</b> How are we going to move this agenda frward in the
7	<b>I wish I had asked this question:</b> What are the environmental cost of mining lithium? <b>I also wish I had asked this one:</b> How can we make shipping logistics more efficient? <b>And this one, too:</b> Why isn't there more space to ask longer questions
8	<b>I wish I had asked this question:</b> Price premium for a given EV range (e.g., 10 miles)
9	<b>I wish I had asked this question:</b> Same as #15, but at RUSH hour (peak congestion) <b>I also wish I had asked this one:</b>

9	Same as #15, but at free flow (non-congested times) <b>And this one, too:</b> Is #15 the average fare (peak and non-peak)?
10	<b>I wish I had asked this question:</b> How could the Big Look Task Force benefit fr. mtg <b>I also wish I had asked this one:</b> Why not undertake a statewide peak oil study <b>And this one, too:</b> What are socio-political issues of value pricing
11	<b>I wish I had asked this question:</b> Why not more about public education on options?
12	<b>I wish I had asked this question:</b> role of educational institutions
13	<b>I wish I had asked this question:</b> Do believe that price is the most effective tool? <b>I also wish I had asked this one:</b> If so, what tax/fee is necessary to change behavior
14	<b>I wish I had asked this question:</b> # changed job locations after choosing current home
15	<b>I wish I had asked this question:</b> Not enough room to answer this.....used the next 2 <b>I also wish I had asked this one:</b> How willing are you to reduce your gas vehicle use <b>And this one, too:</b> by 1/2
16	<b>I wish I had asked this question:</b> How are you going to address non transportation <b>I also wish I had asked this one:</b> energy needs for sustainable cities?
17	<b>I wish I had asked this question:</b> What degree to you envision bicycling as a part of
18	<b>I wish I had asked this question:</b> How trans.fits into the bigger energy picture? <b>I also wish I had asked this one:</b> Are fossil fuels best used in trans. sector?
19	<b>I wish I had asked this question:</b> future plan of railway
20	<b>I wish I had asked this question:</b> Should hybrids be allowed to use HOV lanes?
21	<b>I wish I had asked this question:</b> Discussing the differences between urban and rural
22	<b>I wish I had asked this question:</b> How do we maintain cost responsibility with trucks
23	<b>I wish I had asked this question:</b> if we're discussing sustainable cities shouldn't w <b>I also wish I had asked this one:</b> e be focusin on how to make us less dependant on <b>And this one, too:</b> cars?
24	<b>I wish I had asked this question:</b> What about 40,000 annual highway deaths? <b>I also wish I had asked this one:</b> Should our transportation system aim for greater m
